

JOB DESCRIPTION

COMPANY NAME: DEVELOPER GROUP (<http://www.developergroup.com/>)

ABOUT THE COMPANY:

By 2030, it is estimated that for instance 60% or more of India's 1 billion plus population will be urbanized. It will take responsible, sustainable and visionary ideas to transform urbanscapes into thriving and productive environments. A challenge that has inspired the Developer Group to enter the real estate arena with a vision to make a difference.

Powered by Japanese investment and the best professional local expertise, Developer Group is set to make a mark in the real estate and urban infrastructure areas. Developer Group is committed to bringing in new practices and new ways of thinking in an industry that impacts the lives of millions and the way our society evolves. At the cornerstone of this vision are professionalism, transparency, ethics and reliability. On this foundation we are building a company that will set new standards in the realty and urban infrastructure sector. Our global alliances and promoters give Developer Group the leading edge in technology and innovation while an experienced team empowered with local knowledge and networks has deep insights in the realty landscape. The combination promises to make Developer Group a game-changer.
